

Angled Euro Single Port Keystone Jack Adapter

Mounts a keystone jack module into a wall face plate or under-floor box

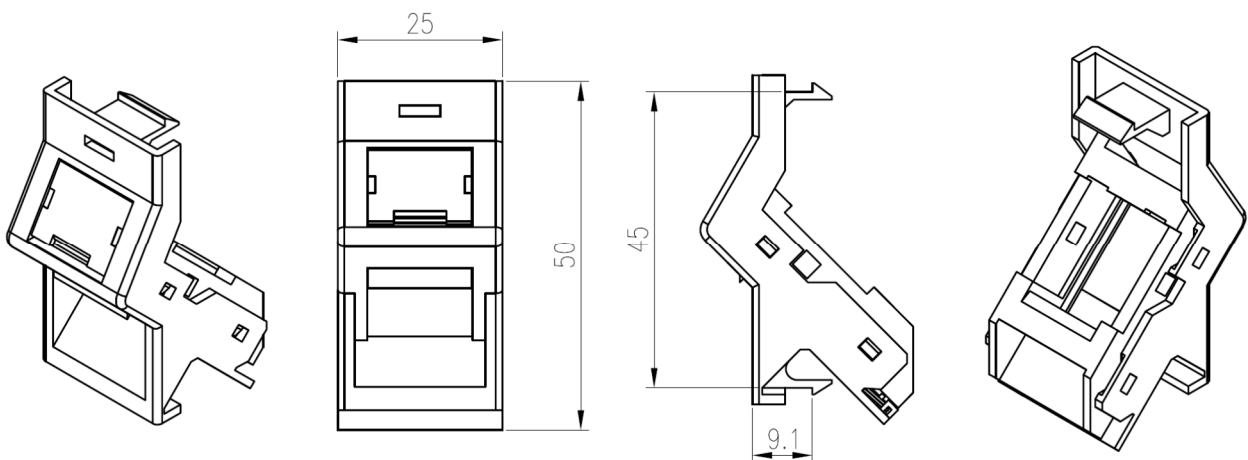

Compatible with all UC Connect keystone jack modules

Tested for compatibility with a wide range of patch cord plug profiles

Supplied with application specific inserts (Data or Phone)

The Euro Angled Single Port Keystone Jack Adapter is part of the Draka UC Connect accessory range. It fits standard 50 x 25mm 'Euro' type openings on UC Connect faceplates and is compatible with all of the keystone jack modules in the UC Connect portfolio (cat.5e, 6 and 6A). A full list of related compatible UC Connect products can be found on this datasheet. The adaptor has a sprung shutter to protect the jack module when not connected and it comes supplied with application specific interchangeable marking inserts and label window. The adaptor is also compatible with a wide range of GOP and floorboxes with Euro type openings. If there are any questions regarding compatibility with 3rd party products please contact the Draka Multi-media solutions team via email (draka.mms@prysmiangroup.com) and they will be happy to assist.
